Introduction

Rapid Vehicle Management respects your privacy and is committed to protecting your personal data in line with the UK GDPR. This privacy notice tells you how we look after your personal data and tells you about your privacy rights and how the law protects you.

Your personal data is handled with the utmost care and security. We only collect and use your information for legitimate purposes, ensuring it is protected against unauthorised access. You have full control over your data, with rights to access, correct, or delete it at any time. Rest assured, your privacy is our priority, and we are dedicated to safeguarding your personal information.

We have layered this privacy notice to make it easier to navigate.

Section 1 provides background information about our company and how to contact us with any data protection requests or queries.

Section 2 describes the type of data we collect and what happens if you do not provide us with the data needed to provide our services to you.

Section 3 explains how we collect the data we process.

Section 4 describes the purposes and lawful basis on which we process your data. This includes information about automated decision making, call recordings and telematics devices.

Section 5 describes the circumstances we may use your data for marketing purposes, our use of cookies and the social media companies we engage with.

Section 6 explains who we share your data with. Please note we do not sell or share data with companies outside of our group for marketing other companies' products. This section also includes links to the privacy notices of credit reference agencies.

Section 7 describes the security measures we have in place to protect your data.

Section 8 provides assurances about the retention of your data.

Section 9 includes a glossary of data protection terms.

Section 10 details your rights under data protection law.

1 Important information

- **Purpose**

This privacy notice aims to give you information about how Rapid Vehicle Management collects and processes your personal data as a customer, and/or through your use of this website, in accordance with the Data Protection Act 2018 and the United Kingdom General Data Protection Regulation.

It is important that you read this privacy notice together with any other privacy notice or fair processing notice we may provide on specific occasions when we are collecting or processing personal data about you so that you are fully aware of how and why we are using your data. This privacy notice supplements the other notices and is not intended to override them.

- **Controller/Processor**

Rapid Vehicle Management acts as the Data Controller registered with the Information Commissioner's Office (ICO) with registration number ZA323622. We are responsible for your personal data (collectively referred to as "we", "us" or "our" in this privacy notice).

We have appointed a Data Protection Officer (DPO) who is responsible for overseeing questions in relation to this privacy notice. If you have any questions about this privacy notice, including any requests to exercise any of the legal rights detailed in section 10, please contact our Data Protection team using the details set out below.

2 The data we collect and process about you

- **What this means**

Personal data, or personal information, means any information about an individual from which that person can be identified. It does not include data where the identity has been removed (anonymous data).

We may collect, use, store and transfer different kinds of personal data about you which we have grouped together follows:

- a) Identity Data includes first name, maiden name, last name, username or similar identifier, marital status, title, date of birth.
- b) Contact Data includes billing address, delivery address, email address and telephone

numbers.

- c) Financial Data includes bank account, credit history and payment card details.
- d) Transaction Data includes details about payments to and from you and other details of products and services you have purchased from us.
- e) Technical Data includes internet protocol (IP) address, your login data, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access this website.
- f) Profile Data includes your username and password, purchases or orders made by you, your interests, preferences, feedback and survey responses.
- g) Usage Data includes information about how you use our website, products and services.
- h) Marketing and Communications Data includes your preferences in receiving marketing from us and our third parties and your communication preferences.
- i) Policy Data includes information on quotes, vehicle(s) / property, your current policy as well as lapsed and cancelled policies you might have had with us.
- j) Claims Data includes information about non-fault and fault claims you have made with us and other insurers. This includes data sent to us by 3rd parties where we act as a controller.
- k) Telematics Data includes information collected on your location, mileage, speed related data, date/time, data that indicates commercial use, overnight parking, journey data and other driving behaviours as part of any policy that you purchase from us that requires you to have a telematics tracking device installed.
- l) Vulnerability Data includes information on any characteristics of vulnerability that you choose to share with us, which enables us to provide the appropriate level of support your circumstances dictate. This may include Health Data, which is defined as Special Category data (see below). We also limit the data retained on our systems in line with best practice.
- m) Images recorded on our office-based CCTV systems and our vehicle-based inward-facing dashcams.

We also collect, use and share Aggregated Data such as statistical or demographic data for any purpose. Aggregated Data may be derived from your personal data but is not considered personal data in law as this data does not directly or indirectly reveal your identity. For example, we may aggregate your Usage Data to calculate the percentage of users accessing a specific website feature. However, if we combine or connect Aggregated Data with your personal data so that it can directly or indirectly identify you, we treat the combined data as personal data, which will be used in accordance with this privacy notice.

We do not intentionally collect the following Special Categories of Personal Data about you (except where detailed immediately below): details about your race or ethnicity, religious or philosophical beliefs, sexual orientation, political opinions, trade union membership and information about genetic and biometric data.

We do collect details about your vehicle, health and criminal convictions for the purposes of assessing the risk of providing you with a rental vehicle (and insuring the vehicle and/or your property) in some instances. We may collect health data when discussing any

vulnerabilities you may have so that we can assist and support you. We may also collect special category data or criminal offence data when processing your data via our vehicle-based inward-facing dashcams. We do not collect or process personal data of anyone under the age of 18 for the purposes of supplying our products or services.

- **If you fail to provide personal data**

Where we need to collect personal data by law, or under the terms of a contract we have with you, and you fail to provide that data when requested, we may not be able to perform the contract we have or are trying to enter into with you (for example, to provide you with goods or services). In this case, we may have to cancel a product or service you have with us but we will notify you if this is the case at the time.

3 How is your personal data collected?

We use different methods to collect data from and about you including through:

- **Direct interactions.** You may give us your Identity, Contact and Financial Data by filling in forms or by corresponding with us by post, phone, webchat, email or otherwise. This includes personal data you provide when you:
 - ✓ enquire about our products;
 - ✓ create an account on our website;
 - ✓ request marketing to be sent to you; or
 - ✓ give us some feedback or submit messages to us.
- **Automated technologies or interactions.** As you interact with our website or mobile applications, we may automatically collect Technical Data about your equipment, browsing actions and patterns. We collect this personal data by using cookies, server logs and other similar technologies. We may also collect your data on our office-based CCTV systems if you visit our office.

- **Fraud Prevention**

Before and during the provision of services or goods to you, we undertake checks for the purposes of preventing fraud and money laundering, and to verify your identity. We and fraud prevention agencies may also enable law enforcement agencies to access and use your personal data to detect, investigate and prevent crime. We process your personal data on the basis that we have a legitimate interest in preventing fraud and money laundering, and to verify identity, in order to protect our business and to comply with laws that apply to us. Such processing is also a contractual requirement of the services you have requested.

If we, or a fraud prevention agency, determine that you pose a fraud or money laundering risk, we may refuse to provide the services you have requested, or we may stop providing existing services to you. A record of any fraud or money laundering risk will be retained by the fraud prevention agencies, and may result in others refusing to provide services, financing or employment to you.

- **Telephone Calls**

We may record telephone calls for training and monitoring purposes, to comply with regulatory obligations, to demonstrate services levels are being achieved or identify improvements, and to assist with the resolution of enquiries and complaints. Wherever possible, on our main telephone numbers, an automated message will notify you that calls are being recorded however please note it may not always be possible to notify you.

- **Telematics tracking device**

Where you purchase a policy from us that requires you to install a telematics tracking device in your vehicle, we will (at the time of usage) collect information on use of your vehicle and how it is driven, including: the speed of your vehicle, acceleration, braking, cornering, time of usage and mileage.

The above information will be used to build a profile of how, where and when your vehicle is driven. We will use this information to identify extreme driving events which could result in an additional fee being charged to you or, the cancellation of your policy.

We will also monitor the data collected from the telematics tracking device to calculate your total mileage. Where this exceeds the amounts stated on the schedule of your total driving mileage (as set out in your policy), your Insurer reserves the right to cancel your policy.

The GPS location data obtained from the telematics tracking device assists us in assessing the types of roads you use and may also help the police recover your vehicle if it is stolen. We may release your data to the police or to a civil authority where we have a lawful basis for doing so, where we suspect fraud (or attempted fraud) or, if we are required to do so by law.

Your device is installed in your vehicle by you, or by our suppliers, Matrix IQ or Flock. They also maintain the device and monitor it for faults. Data from the tracking device is collected by our suppliers, Matrix IQ or Flock, via a mobile data link.

Matrix IQ and Flock may use certain data collected to improve their product and services. This will be carried out in an aggregated format using anonymisation techniques.

It is important that you read their Privacy Notice available on their website to understand how your data will be processed. If you have any questions regarding the data collected by our partner as part of the service they provide to you and us, you can contact them via their website as follows:

Matrix IQ – <https://matrixiq.com/privacy-policy/>

Flock – <https://help.flockcover.com/privacy-policy>

5 Marketing

We may use your Identity, Contact, Technical, Usage and Profile Data to form a view on what we think you may want or need, or what may be of interest to you. This is how we decide which products, services and offers may be relevant for you (we call this marketing).

- **Direct marketing**

Where you have contacted us about one or more of our products or services, we, and affiliated companies in our group, may send you further direct marketing communications about similar products and services unless you opt-out as directed in our telephone automated message system. We may contact you by email, text message or by phone based on your marketing preferences. We will ensure that you are given the option to update your marketing preferences when you first contact us and whenever we send marketing communications.

Affiliated companies in our group are Acorn Insurance and Financial Services Limited, , MyPolicy, and Granite Finance Limited.

It is important to note that you have the right to ask us to stop directly marketing to you at any time by contacting our data protection team on dataprotection@acorninsure.com or by telephone with our customer service department, using 01704 339000 Option 3

- **Cookies**

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and allows us to improve our website, products and services. For detailed information on the cookies we use and the purposes for which we use them please see paragraph (b) below.

We may use them for:

- a) per-session cookies are used while you are logged on to our website to record temporary data relating to your visit to our Website, to manage the delivery of web pages to; you and any registration and ordering processes, and to help us monitor traffic through the Website; and
- b) logon and usage cookies store some data between visits to our Website in order to allow you to log on to your account more easily, and using them we are able to personalise your experience and create a database of your previous choices and preferences, and in situations where those choices or preferences need to be collected again, they can be supplied by us automatically, saving you time and effort. For example, after you purchase a product once, if you need to purchase it again your previous selection of options will be retained and can be re-entered more quickly.

We also provide the choice as to which cookies to accept.

6 Disclosures of your personal data

- **Purposes of disclosure and recipients**

We do not share personal data with any third parties except as provided below or as required by law:

- a) DVLA**

We may provide Your driving licence number to the DVLA in order for a search to be carried out to confirm Your licence status, entitlement and relevant restriction information and endorsement/conviction data. Searches may be carried out as part of Our validation enquiries and at any point throughout the duration of Your contract with Us. A search with the DVLA will not show on Your driving licence record. For details relating to information held about You by the DVLA, please visit www.dvla.gov.uk. Undertaking searches using Your driving licence number helps Us check information to prevent fraud and reduce incidences of negligent misrepresentation and non-disclosure.

- b) Payment processing**

Your personal data may be processed by third parties who provide other processing services to us and we may transfer personal data to third party payment processors in order to process payments for orders (such as credit and debit card processing companies). If we use a third-party order processing service, they will collect and send your data to us securely, which will then be incorporated into our databases.

- c) Private hire vehicle licencing authorities**

We share Your data to verify the validity of Your and Your vehicle's taxi licence.

- d) Local or District Councils and Law Enforcement**

We share Your data to prevent, detect, apprehend, and/or assist in the prosecution of offenders. We provide Your Personal Data for the administration of all charges, fines and court costs including congestion charges, parking, traffic, speeding or other offences, and any civil penalties You may be liable for.

- e) Insurers / Brokers**

We will share your data with your Insurer.

- f) Third parties involved in a claim**

We will share Your data with third parties involved in a claim, such as their insurer, solicitor

or representative.

g) Third party service providers

In addition to the third parties we have already mentioned in this privacy notice, we may have your personal data processed by other third parties throughout the world who act for or on our behalf; for example, we may use cloud computing or remote database hosting services which may be located anywhere in the world and we may engage contractors anywhere in the world for the purposes of providing support or back-office services to us, including website hosting, order processing, order fulfilment, application and database hosting, data processing services, or that help us market out products and services. These companies will process and hold information about you in order to perform their functions. These companies are not authorised to use the information they process for us for any other purpose than those to which we have notified you under this privacy notice. Please see 'International Transfers' in section 6.

h) Group companies

For operational efficiency and to ensure you are provided with the best possible service, certain services and operational activities may be carried out on our behalf by other companies in our Group. We ensure strict measures are in place between the companies in our Group to ensure your personal data is processed in accordance with this privacy notice.

i) Taxi Operators

We may share certain personal data to verify the status/terms of your motor insurance policy ("insurance verification") with your designated taxi operator. We do this to assist you in verifying your insurance documents, and, to support the operator in ensuring their drivers maintain the required insurance in accordance with regulatory requirements. Your taxi operator will have communicated with you about your participation in such verification service if this arrangement is in place. Your operator will not be authorised to use the information for any other purpose.

j) Legal requirements and Regulators

We may share or transfer your personal data to a government authority where required to comply with a legal requirement, for the administration of justice, or where reasonably required to protect you or your company's vital interests.

k) Corporate Transfer

We may transfer your personal data to any company that purchases or otherwise acquires our business in the event of a corporate sale, merger, reorganisation, dissolution or similar event.

l) Statistics

We may use your personal data along with other data to provide statistics on an anonymous basis to our contractors, marketing partners (including banks and other institutions who may promote our products to their customers), and other companies and organisations we deal with, for a range of purposes, including assessing and reporting on the overall performance of our products and website, assessing and reporting on overall

product take-up and usage, assessment and reporting on malware and unsafe websites and associated threats and risks in general or for any group of customers.

m) Identity Checks

We carry out identity checks when you apply for our PCO Rent to Buy scheme. We use a third-party supplier to carry out the checks.

n) Social Media Companies

We also use various social media channels to allow you to share claims information, provide support and answers for you and/or as part of our marketing activities. Whilst we never add anyone's personal data to any social media channel, we do use their audience and category advertising features. They act as joint (cookies) or separate controllers (if you contact us via the social media channel) with us, as they determine how your data is managed after you engage with us.

o) General Suppliers

We have partners providing risk management, validation and telematics services, and we share your data with them in order to provide you with services or a quote.

We also offer optional add-ons for your vehicle rental and we share your data in order for them to be able to provide these services. These suppliers act as data controllers for your data, which means they determine the means and purpose for processing your data.

- **Change of purpose**

We will only use your personal data for the purposes for which we collected it, unless we reasonably consider that we need to use it for another reason and that reason is compatible with the original purpose. If you wish to get an explanation as to how the processing for the new purpose is compatible with the original purpose, please contact us.

If we need to use your personal data for an unrelated purpose, we will notify you and we will explain the legal basis which allows us to do so.

Please note that we may process your personal data without your knowledge or consent, in compliance with the above rules, where this is required or permitted by law.

- **International Transfers**

Where we transfer personal data outside the UK or European Economic Area (EEA), we will work with our service providers and partners to ensure appropriate safeguards are in place to protect your personal data and your privacy rights, meeting the standards required to

make such a transfer lawful.

7 Information security

We have put in place appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal data to those employees, agents, contractors and other third parties who have a business need to know. They will only process your personal data on our instructions, and where they are subject to a duty of confidentiality.

We have put in place procedures to deal with any suspected personal data breach and will notify you and any applicable regulator of a breach where we are legally required to do so.

8 Data retention

We will only retain your personal data for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

By law we are required to keep basic information about our customers (including Contact, Identity, Financial and Transaction Data) for the term of their policy and for a period of seven years after they cease being customers.

In some circumstances you can ask us to delete your data. In some circumstances we may anonymise your personal data (so that it can no longer be associated with you) for research or statistical purposes, in which case we may use this information indefinitely without further notice to you.

9 Glossary

Customer means any person (including individuals, firms and companies and other organisations) who is a customer of Rapid Vehicle Management , including persons who browse, register on, or otherwise use our website, or who purchase our products.

Legitimate Interest means the interest of our business in conducting and managing our business to enable us to give you the best service/product and the best and most secure experience. We make sure we consider and balance any potential impact on you (both positive and negative) and your rights before we process your personal data for our legitimate interests. We do not use your personal data for activities where our interests are overridden by the impact on you (unless we have your consent or are otherwise required or permitted to by law). You can obtain further information about how we assess our legitimate interests against any potential impact on you in respect of specific activities by contacting us.

Performance of Contract means processing your data where it is necessary for the performance of a contract to which you are a party or to take steps at your request before entering into such a contract.

Comply with a legal or regulatory obligation means processing your personal data where it is necessary for compliance with a legal or regulatory obligation that we are subject to.

10 Your legal rights

You have the right to:

- a) **Request access to your personal data (commonly known as a "subject access request")**. This enables you to receive a copy of the personal data we hold about you and to check that we are lawfully processing it.
- b) **Request correction of the personal data that we hold about you**. This enables you to have any incomplete or inaccurate data we hold about you corrected, though we may need to verify the accuracy of the new data you provide to us.
- c) **Request erasure of your personal data. This enables you to ask us to delete or remove personal data** where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal data where you have successfully exercised your right to object to processing (see below), where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local law. Note, however, that we may not always be able to comply with your request of erasure for specific legal reasons which will be notified to you, if applicable, at the time of your request.
- d) **Object to processing of your personal data** where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms. You also have the right to object where we are processing your personal data for direct marketing purposes. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.
- e) **Request restriction of processing of your personal data**. This enables you to ask us to suspend the processing of your personal data in the following scenarios: (a) if you want us to establish the data's accuracy; (b) where our use of the data is unlawful but you do not want us to erase it; (c) where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or (d) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.
- f) **Request the transfer of your personal data** to you or to a third party. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machine-readable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.
- g) **Withdraw consent** at any time where we are relying on consent to process your personal data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products or services to you. We will advise you if this is the case at the time you withdraw your consent.
- h) **Right not to be subject to automated decision making** where we are using your data using solely automated means that has legal or similarly significant effects. Please see section 4 of this Privacy Notice for instructions on how to exercise your rights.

- i) **Right to be Informed** about the collection and use of your data. This Privacy Notice provides a comprehensive guide to how we use your data, if you have any questions not answered on here, please do not hesitate to contact us using the contact details in section 1.

- **No fee usually required**

You will not have to pay a fee to access your personal data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request is clearly unfounded, repetitive or excessive. Alternatively, we may refuse to comply with your request in these circumstances.

- **What we may need from you**

We may need to request specific information from you to help us confirm your identity and ensure your right to access your personal data (or to exercise any of your other rights). This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it. We may also contact you to ask you for further information in relation to your request to speed up our response.

- **Time limit to respond**

We try to respond to all legitimate requests within one month. Occasionally it may take us longer than a month if your request is particularly complex or you have made a number of requests. In this case, we will notify you and keep you updated.

You have the right to make a formal complaint about how we handle your personal data at any time to the Information Commissioner's Office (ICO), the UK supervisory authority for data protection issues (www.ico.org.uk). We would, however, appreciate the chance to deal with your concerns before you approach the ICO so please contact us in the first instance.
